What benefits do you see in having this financial assistance to join the YMCA as a member or participant?

Why are you applying for financial assistance?

What volunteer service can you provide to the YMCA?

It is the policy of the YMCA of Greater St. Louis to provide services for any person who desires to participate and understands the benefits of the YMCA, regardless of their ability to pay the standard membership or program fees. Those not able to pay the full fee may be awarded assistance, based on their demonstrated need. Funds for financial assistance have been made available through generous contributions. Both subjective and objective criteria are factored into assistance decisions. The YMCA believes that ownership and pride are best developed when recipients of financial assistance contribute to the cost of their YMCA involvement. **Thus, all eligible recipients will be asked to pay a portion of the membership/program fees.** DFS recipients will be responsible for payment of balance of fees not covered through DFS. To maintain eligibility of financial assistance the recipient must reapply by the expiration on their scholarship assistance letter.
